## TEMPORARY MEMBERSHIP TERMS

These terms apply to applications for Temporary Membership of the Dartmoor Gliding Society (the Company) for the purpose of Trial Lesson, Voucher Flight, One Day Course or any other construct through which a non-member of the Company may experience flight in a glider owned and operated by the Company. Applicants shall indicate their acceptance or otherwise of the terms before flight. The Company reserves the right to refuse flight where specific terms are not accepted.

**Term 1** - Whilst on the premises of the Company the applicant, together with any additional guests they may bring, shall follow the instructions of Members of the Company with regard to safety and general operations.

**Term 2** – The Company operates under a Data Protection Policy that may require it to share personal information about its members and temporary members with the British Gliding Association and for the purposes of publicity about its activities.

**Term 3** – For the promotion of the sport of gliding, the Company uses a number of means to publicise its activities including social media and a blog on its website which may include a photograph of participants.

**Term 4** – There are no specific medical requirements to fly as a passenger or trainee in a glider save for generally good health. As a guide, if a person is fit enough to drive, they are fit enough to fly. However, applicants with specific disabilities or potentially disabling conditions such as epilepsy or asthma etc., must declare these before flight.

### The Small Print

1. By making this application the applicant is granting an indemnity to the Company against all claims of damages resulting from death, injury or loss or damage to personal effects as far as permitted under English Law.
2. Whilst the Company obtain limited insurance cover for Members, Temporary Members and Visitors whilst using the Company's facilities, Members, Temporary Members and Visitors should satisfy themselves that the cover provided is adequate for their needs.
